Q-45 ✓  
Well you really put the icing  
on the cake 3/19/98 Matt Drudge  
one of the group that have taken  
over our airwaves along with  
Limbaugh Hannity, Laura Ingraham  
Chris Matthews, Malsberg and a few  
others who have made their fortune  
by using Racial Code Words, telling  
outright lies, using Propaganda  
and making allegations that can  
never be proven, as Reagan did  
after failing two previous times in  
making the Presidential Bid on  
his Policies then reverted to Racist  
Code Words using such terms as  
Welfare Queens, Tough on Crime,  
Equality in the Workplace, all Code  
Words pertaining to Blacks as they  
all picked up on the division  
between white and Black America  
on these issues. And used them to  
further their quest for Greed and self  
monetary gains, never caring that  
the only Agenda of Reagan and his  
Backers was to destroy Middle Class  
American Workers their Unions, there  
over

P.S. Please no letters printed out on  
your Polaris "I know your Polaris"

~~These~~ Benefits they gained over the  
year for the Greed and Profits of  
the Republican Party owners  
Corporate America and the wealthy  
few and all this is coming about.  
And now Matt Drudge who's his  
only claim to fame is the Monica  
Dress a story he stole from another  
source, a story he held the people  
spellbound for two weeks waiting  
to come out and he fell flat on his  
face over his so called undeniable  
proof Dan Williams was the Pres.  
illegitimate child, are you bringing  
that low life in front of the  
American people to spit his lies  
and unproven just throw them  
out there "allegations" "Give me  
a break" Americas Station, who  
represents your America? the  
top 20% of our nation who have  
pocketed millions and billions of dollars  
while middle class American workers  
have watched their wages drop 5 yrs.  
in a row that's a fact. Check it out"
