Dear C-SPAN,

I just had to write to tell you how disappointed I was in your parade of anti-President Kennedy authors last Friday night. It was with great anticipation

I turned in to watch
a thoughtful cele-
bration of President
Kennedy only to
be bombarded with
the typical media
bias. In spite
of you & all the
rest, people still
love John F. Kennedy
& always will. Also,
how come you don't
have 800 number for
us to respond? Not all
of us are ~~rich~~ — [REDACTED]
