Mr. Lamb,

Just heard on the A B C news
that C Span was changing the
phone calls, because there was
too many people getting in and
hushing Clinton, So now its
got to be either for Dole or
Clinton to get in. Well, you all
crowd in to the White House
& the Democrats. That's the way
they are. They stopp all things
that's against them. But yet they
believe in free speech, as they say.
Never thought C Span would come
into the liberals & the Whitehouse.
That's why C Span was so popular. you
were never one sided. So you say.

I knew you were one sided (Liberal)
when you refuse to list Tony Snows
Fox News Sun. you list meet the press
Tim Russert is Liberal, This week
with David Brinkley, They are all
liberal except one. Face the

Nation is also liberal (Bob S.)
Fox's CNN Late Edition Liberal.
So when it comes to Fox News
Sun, you can't put it on your
list. C Span Sun, journal because
he is not a liberal, Not
fair. you claim you have
both sides, not true. You have
never said why you do not
list Fox news Sun? please, tell
us Sun. morning why you do
not list Fox news Sun? you
all are going to lose a lot of
people if you do not keep it
fair. Tell Steve Scully, maybe he
will list Fox news Sun. This is the
3rd letter I have written about this.
I guess it does not matter,
nothing changes. Thanks,
