G-Span - Attention Mr. Brian Lamb
400 N. Capitol Street NW #650
Washington, DC 20001

Gentlemen:

Kudos on a most interesting Monday
morning (March 22nd) discussion.

The lively interaction among Don Feder,
Chris Matthews and the callers was a stimu-
lating change from the usual staid format
of G-Span discussions.

I hope that Don Feder will become a
frequent visitor to G-Span.

Sincerely,
