I recently wrote your station  
to commend you on your  
coverage of the gay march  
in Washington and the brochure  
gave me your title + address.  
I think you are a terrific  
on-air personality - thoughtful,  
careful, challenging - assembling  
always interesting groups of  
people and interesting programs.  
While sometimes I wish you  
could share yourself with commercial  
TV, I don't want C-Span to lose you.

Keep up the  
good work.
