

Dear Mr. Hamby

I would like to express my sincere appreciation for your support of the Close-Up program.

The trip provided me with the opportunity to witness our government in action.

I found the whole trip very exciting, but I especially enjoyed Capitol Hill Day, where I was able to meet Senator Kerry and Congressman Kennedy. This trip was great! I hope more students from Watertown will be able to take part in this unbelievable experience.

Sincerely

100TY 30801

THANK ♦ YOU
