This is one of the most disgusting
programs I've listened to. It
is almost totally liberal - the
Knight Ridder ^{men} need ~~seem to~~ say
anything of any substance. [X]
talks around every subject we
all know that Clinton has no
morals. Jenda Tripp (at her work)
is better & more moral than Clinton.
You libs have dumbed down this
country to its lowest common de-
nominate. I've listened to Wash Jr
for 4 yrs & have never heard
so much stupidity. Where are
the great teachers we hear so
much about. Anyone who be-
lieves a C N or any Lib poll
is crazy - they call the same
libs all the time. Gingrich is too
intelligent for the average person.
The lies that are never corrected.
We hear about the Historians (who
are supposed to be intelligent) who tell
us what is right & wrong. In the
first place most Historians are liberal.
So they are discounted by many of us.
We also discount Lib Prof. & Lib
lawyers. ~~the~~
