I followed with Interest
yesterdays questions, answers and comments
with the former Sec. of Defence McNamara,
Miss K. and the Senators.

DEC 26 ANS'D

It made great Sense, how Mr.
McNamara answered the questions and
made his comments. Miss K. drew an
excellent conclusion to avoid war and reach
the desired goal through the Sanctions and
patient diplomatic negotiations, including
also Palestine and Israel. — And,
when Things are settled, to help Arab-
Nations to become democratic Nations.
It will avoid war, costing tenshousands of

lives, and beyond that, turning the Region
into a destroyed moonlandscape.

Step for Step it will secure a peaceful
future for this troubled Region.
