

Sirs:

I like C-SPAN because
Soon after I got Cable I
found you! And you had a
program in which the staff
discussed what things they
were going to cover the
next day and why. That
gave me an insight as to
how you operate also, made
you people to me and not
just faces.

I continued to watch
and found a program that
was about the lead stones
in various newspapers around
the country with the callers'
-in opinions - those callers
in the main I found to be
pretty well informed which
is nice company to be in.
also, the coverage

of the proceedings from
the house of representatives
gives me an insight into
how government works
or doesn't

I am a senior
