Dear Friends:

I watch C-SPAN alot and appreciate
your programs.

I want to thank you especially for
renning the talk Julie Andrews made
to the Press Club twice (I was able to
tape it the second time) and for Brian's
interview with Michael Medved.

I'm reluctant to call C-SPAN. Over
the course of years I've called in twice

Thank You

to your guests. On both occasions I made suggestions which were readily received. One guest even wrote me a followup letter). Could I be so lucky again?

Sincerely yours,
