Dear Mr. Lamb:

002594 MAY 1993

Sorry I don't have a better address but hope you are well enough known in Washington for this to reach you.

Our area is served by Paragon Cable and C-SPAN is a shared channel available only from 7:00 P. M. to 7:00 A. M. I've always looked forward to the replay of your Friday morning Journalist's Roundtable which was on here Saturday night from 9:00 to 10:30. It has not been shown for the past three weeks and I'm wondering if this is a permanent program change.

Area papers never even list C-SPAN so I'd like to know if this program is shown at any other time during evening or night hours.

We never see your morning call-in shows and wish you ran replays during the night hours so they could be taped. Your night shows are often repeated so maybe we could hear your guests and viewers in place of a "repeat".

I've called and written Paragon many times, as have others, to request full time coverage but to no avail. It's the most enlightening network on television and should be mandatory for all cable companies.

Sincerely
