Dear Mr. Lamb,

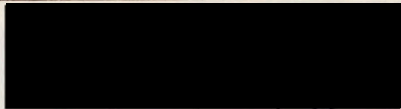

My name is [REDACTED] and I recently went to Washington D.C. on the Close-Up program. I had a wonderful time! Along with learning more than I ever had in a classroom, I got to meet new friends, talk with teens from all over the country, and see the city that made America the great place it is today. I wish every high school student got to experience the Close-Up program.

I would like to thank you for your contributions to this program because without you and others like you none of this would be possible. I honestly appre-

ciate what you have done for me!

Sincerely,
