Dear Mr. Lamb:

I turned on C-Span 10 or 15 minutes ago. A gray-haired man was speaking very earnestly. Guess what this gentleman's name was? It was "U.S. Senator - Agricultural Reform Act." Actually, I sensed that this was not his name, so I waited and waited and waited. After 10 or 15 minutes, I gave up and turned C-Span off. Please give names often, and keep them on for a reasonable time.
