

Mr. Brian Lamb Arlington National Cemetery 5-25-98

Memorial Day services carried by C-Span is greatly appreciated. Thank goodness someone corrected the spelling CEMETARY To CEMETERY - referring to Arlington and the Unknown Soldiers Tomb. **O. M. M. Day**

I have to express my own opinion which may not matter to anyone else - my husband, now deceased, was career Navy. The memorial ceremony of these brave men & women is spoiled by the presence of Bill Clinton. I don't see how such a scandalous ^{person} militarily, politically, & personally, could have ever been given the opportunity to be

in the position of representing
our country. I see that hand - which is not
even over his heart, also
reaching out for illegal cam
paign funds & Groper &
