The design of this card was created by a child who wanted to help another child. Proceeds from the sale of these **Kids for Kids™** cards benefit abused and neglected children through the CASA program in Multnomah County, Oregon (the creator and publisher of the cards) and participating CASA/GAL programs nationwide.

CASA/GAL volunteers are Court Appointed Special Advocates who are trained to work with the court system to insure that the needs and rights of abused and neglected children are met. Their goal is to insure that each child has a safe family in the shortest time possible.
