

"Happy New Year" 1997 a Year of watching
happy participation

Dear Brian,
Just Love BookNotes - so very much
enjoy the (generally) not over heated
discourse! Don't care for some callers
personal comments - which I find counter
productive any time - likewise, I'm sure
I don't watch too much on the other stations
anymore (CRU has become far too biased
and 'one subject' concentrated - a shame!)
have A+E, History Channel, EPN, PBS &
a few others - 1 channel suff anyway.
Won't tolerate slash or mindless barto.
Your visit (New Year's) to Library of Congress
deserves a medal. First class broadcasting
plus first class "talk". So much admire
Shelby Foote. THANK You, Jo Lamb. Thank you.
Only the very best, always.
Enclosed something I hear a caller
mention - GRANTA. FYI - thought it
maybe of interest. I've just subscribed &
discovered it from my STORY magazine
subscription. One thing (good i.e.) leads to
another. Must get back to watching (reading)
"Nostramo" - as I said only the very
best. Have good refreshing Joy!
Sincerely, BK
