

V. Info . . .

To Whom It May Concern:

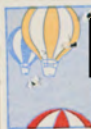

I have one simple request.
Please put Road To The
White House on at 8PM every
Sunday instead of so late
at night! I think this show
takes priority over Booknotes &
the British House of Commons.
If you want people to see
it put it on Prime Time &
not when people are falling
asleep & need to retire before
getting up early Mon AM.
It is your obligation to
show this at 8PM so all
people can be informed.

Thank You

P.S. Also please show candidates
for President not Bush →

campaigning for Stromberg!
He just wants to monopolize
time.
