C-Span Suite 155
400 N. Capitol Street NW
Washington, D.C. 20001

I watch C-Span because it has excellent coverage of current and political events. This coverage is objectively presented, and equal time is given to opposing viewpoints. Reporters report rather than interpret the news. C-Span's balanced presentation of news and subject matter is educational. It is TV at its best. The viewer is enlightened, stimulated and is in a better position to make an informed judgement.
