Dear Brian, Another great

Journalists Roundtable. I always enjoy Roberts
(both of them) I read LA Times daily so also enjoy
Healy, Chi Trib seems to have many good
people — McNulty another one.

I heard almost every word of Souter
testimony. Undoubtedly, he is a remarkable
scholar. I regret that he would permit
himself to appear to be programmed by
Bush's lawyers. Is it not 100% politics?!

Your coverage (+CNN) is marvelous.
Thank you + your Co. for all
the good programs.

Sincerely,
