Brian Lamb, I live near
this beautiful hotel. I dare say
you have been there!

I loved Stanley Crouch

This world will be the
lesser when he leaves us.
I am going to be near you
in Philly for the Cézanne exhibit
but not enough time to get to B.C.

I have been laid low with
arthritis & drugs to help me,
which have not done so.

I have listened to C-Span
but have not been writing.

I heard E. R. Immanuel
interview L. Armstrong
on TY! Glorious!

Wonderful programs.
Much love, Grace
