Dear Mr. Lamb:

Like the fellow who called in the other day, I've become a C-Span junkie. (Also CNN.) I've had cable TV out here in the boondocks for about a year, but it's only with the Russian troubles in the last two or three weeks that I've realized how good you all are. (Susan Swain is excellent also.)

What especially impels me to drop you a line was the wonderful program with Roger Kennedy, Jas. Fallows + Judy Shelton. They were all excellent, but Roger Kennedy stole my heart. I'm a liberal Democrat but find I agree with just about everything he says. I am, of course,

getting more conservative in my old age. —
Sometimes I agree with Pres. Bush. However,
I don't think I ever agreed with Ronald
Reagan on anything.

Today's program with Robert Kasser
was great.

Surely you deserve some kind of
Emmy, don't you agree?

Sincerely,

Falmouth, VA 22405
