Saturday morning, May 9th,
You ~~were~~ had a very liberal
bias on your morning journal
show. I started to call but
decided not to waste my money.
The young host was not acting as
a moderator; No, he actually
took a stand as to question the
Republican representative (lady) to
counteract what she would say.

for a while (with a host).

How about finding more
Neutral people, please?!

Thanks,
Sincerely,
