

Please refer this to the ignorant,
bigoted, homophobic female Wash,
news editor on C-SPAN 5-24-93
opposite the intelligent, David Korn

Twenty years from now your homophobia will be a joke.
I am a gay teacher. There are thousands
of us. Teaching children to tolerate
gays and not discriminate does not make
children gay. It makes them stop hating.
Hate is not of God, Church and state
are separate. Children are born gay or
straight. If you had a gay child,
wouldn't you want him/her to live in
a world free of hate and discrimination?
The Right uses religion as a method of
hatred and discrimination. That is not of God!
