onal Right to Life, the largest pro-life organization in
ca, and its affiliate state right-to-life groups are sponsoring a
FOCA NOW Petition which promises to be the most extensive
e petition drive in history.
petition will be presented to the WHITE HOUSE on behalf of
ers as a message to all public officials in America.

ADVERTISE the petition by an announcement at meetings, the pulpit, or in the church bulletin. A bulletin insert can also draw attention to the petition.

**Thank you for your efforts on behalf
of unborn children!**

We urge defeat of the so-called "Freedom of Choice Act" (FOCA). FOCA means abortion for any reason, even for birth control or sex selection, even in the late stages of pregnancy. FOCA will end parental consent laws, informed consent laws, conscience clauses for hospitals, and laws preventing tax funding of abortion.
