Dear C-Span,

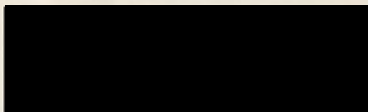

There seems to be questions of like natural law  
etc. There is a good study tape by professor  
Jeremy M. Miller at Western State  
University College of Law. This tape is by  
(1-800-876-4HRS)  
the Barrister project it is called Jurisprudence.  
I would like to see him on your program to explain  
the different types of legal thinking.

As usual you are doing a good job. Thanks.
