Mr Bryan Lamb
CNN

Dear Mr. Lamb

The Torquerville has been
wonderful.

The recent five days in
Canada has been most
interesting and well done, But
you forgot the West Coast.
Surely something fit into
Vancouver.

I love the morning

programs with the
newspapers - The best
one recently has been
the program ~~with~~ with
you and Bill Crystal and the
gentleman from the
New Yorker - about 2
weeks ago. Sometimes
our Congress people are
pretty disappointing!
But thanks for CNN.

Sincerely,
