Véritable Photo au Bromure - Reprod. Interdite

Isn't it a bit mis-leading
for "Steve" as emcee to
refer to the report on costs
of Democratic polling as
"administration" spend-
ing after showing a head-
line attributing this
spending to the D.N.C.
And in fact at that time
mentioning this. To me
there is a vast difference.

Yours truly,

25 — TOULOUSE La Ville Rose
