Dear Brian Lamb + Company
of CSpaw -

A quick thank-you to all
your team for the daily
morning news interviews - and
especially for the Presidents
Series. You are such a refreshing
change from all the other news programs.
One Question:

Are you and your (slightly
younger?) two helpers related? You
all have these twinkly eyes and
friendly smiles. How about a bit of
biography about yourselves?
Thanks so much -
