I want to tell you that I appreciate most of your programming. I believe you usually present a balanced view of what is news.

Now, a question. I noted that at the filmed presentation of the Christian Coalition, there was an often repeated subtitled message that C.C. claimed a membership of 300,000.

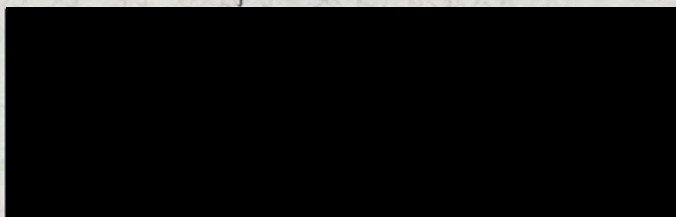

The question: do you regularly subtitle membership number

for other organizations claiming nationwide membership?

Why were your numbers very different from that on CBS that 2,000,000 were members of the Christian Coalition?

Again, I applaud your programming

Sincerely
