

No one has polled us &
we want someone to
know how we all feel.
Out with Clinton! He is
a disgraceful coward,
deplorable & insipid.
He's in our house & he
has been guilty of nause-
ating behavior. We are
sick of his shameless
Also - we are among the
large group who say
"Wag the Dog" is obvi-
ous here. Clinton hates the
military. He's never used
it & should have several
times. No Trust! No values
or standards ^{in him} on his part.
We are livid; we are irate;
we are ready for him to resign
or be impeached.
