Brian Lamb, Host
C Span

Hello Mr. Lamb

I am writing to express my appreciation for C Span and also to say I watched your program to-day when the News persons were with you. One of the Callers didn't seem to like your way of speaking and implied you were biased. I disagreed. I think you and each host on C span are perfectly suited to your host duties. I stumbled by accident upon C span several years ago when looking for something decent to watch and fell in love with it. I get angry some times at some of the Callers and what they say and then

Very happy about a theses.
I feel sure I'm not the
only person who has these
feelings. Subject Change - I
think president Diliary and
Bill should and eventually
will be impeached. I am
78 years old and in all
the time I've been aware
that America had elections
this is only time we have
an unelected president in
office. One more thing and
I'm outta here as the
modern saying goes. In 1934
when I was 18 years old
we teenagers knew J. Edgar
Hoover was homosexual
but we did very little
talking about that. In 1994
we are called homophobics.
"Sticks and stones" etc. Hoover's
name should be removed
from F.B.I. building. Thanks
so much for reading this.
Respectfully,
