

Conner - Every call has 9-23-98
been pro Clinton ~~and~~ ⁱⁿ sure they're screened.
James Smith got 45 men.
Bobby Scott gets 1 hr. This
is typical of Wash. Jr. ~~with~~
With Paul Gigot, you're putting
on Marie Cocca who will take
over & out talk him 10000.
That's also typical. All Bobby
Scott has done so far is
whine. I watched Dem. hear-
ings so I know how unfair they
were - we never hear about that.
I'm so sick of hearing how
wonderful Pres. Clinton is -
Evidently morals (all kinds - not
only sexual) are not important to
Dems. I don't believe that lots
of so-called Repub. call-ins are
really made by Republicans. The
Dems. are vicious. They will "lie,
cheat & steal" to win an election.
Mrs. Clinton is a disgrace - power
& money mean more to her than be-
ing honest. She's an enabler.
