WITH LOVE FROM HELL

Did you take even 10 calls
this morning? The callers
are 10 x more interesting
than the NY Times
magazine writer with
the story about an AIDS
vaccine -- That's not
something the general
public is really, really
interested in at this time,
and there is a lot
people want to talk about.

Don't turn into
"Larry King" or
"Talk Back Live,"
please. Having a
lot of callers is the
best thing about
