30 March 1994

subject: Transcript Request

to: C-SPAN2 Programming
Washington D.C., 20001

I am an avid watcher of the C*SPAN channels and I do not know if a transcript of a specific program is available.

I would like a transcript of a program that aired on the 28th of March, 1994 and featured a guest speaker by the name of John McManus of the John Birch Society.

If the transcript can be obtained would you please send information as to cost etc,?

Thank You
