Gentlemen:

My television cable system has carried C-Span for less than a year and I immediately became a C-Span junkie! However, my enthusiasm has diminished and daily I give thanks for the remote control!

Instead of receiving accurate non-partisan information, I am spoon fed value judgments and subjective reporting from ill informed pundits. At age 73 years, I may run screaming to the Soap Operas where I am informed the real world is portrayed!

Sincerely

(Mrs.)
