Alexander Cockburn

2128-90
JUN 13 REC'D
JUN 13 ANS'D

June 11. 90

Today I saw Mr. Cockburn 3 times. I never found out what his fixation with Guatemala is, but generally I like his views. Funny, he should look like a dwarf behind the lectern. As I said I saw him 3 times. But His Royal Highness the Prince Phillip I saw only once and never got to hear his faux pas. Could you help?
