

August 21, 1992

Dear Brian -

you were wrong to cut
off the lady from Arkansas
who was an eye witness to
Bill Clinton's "necking" while
Hillary was busy elsewhere -

I hope someone can follow
up on this - the race is about character.

Bill Clinton is not an honorable person -
you are always so fair -

I'm disappointed that you did not
allow her to speak -

Watch you every day - Sincerely - [redacted]

Mr. Brian Lamb
