

This is Mom's paper — hands off!

Dear Brian
I had to write
and tell you how
dull the Rush Limbaugh
Radio show was. 3
hours of self boasting
very few phone calls
which we could see
were screened. no
guests. Any time
left was spent in
belittling the president
with half truths.
may I recommend
our Michael Jackson
great guests. Last year
he has had pres. Clinton
Bob Dole, Barbara Bush
Hillary R. Clinton plus
many of like stature.
He has wit charm &
no self praise

I love your program

I'm writing this
because - I can't ever
get through on phone

Thanks for not
screening your calls
Michael Jackson does
not either - makes
for much more
interesting discussion
a regular listener -
and "C-span" junkie"
