Dear Mr Scully - Thank you so much for your
fine hosting of American Profile of the
honorable Senator Don Nickles.

I was touched and inspired by all he had to
say. What a sterling character - a truly
fine man!

I wrote him to tell him how thoroughly
I enjoyed all he had to say. He unashamedly
honors God and country.

Thank you very much for your excellent
interview. You are to be commended!

Respectfully and sincerely -
