

3-8-93

I was enlightened this morning. It was interesting to see Mr. Lamb's discomfort because Mr. Dentoff & Mr. Pruden were in agreement. No one seems to mind when everyone on the panel is liberal. I use to think that "just happened", now I know it's planned.

It really doesn't matter. C-SPAN has done more to make people aware of the Congress than any other entity.

50-594 MAR 12 1993

Sincerely

El Dorado, Kansas
