I have tried calling, but have never been fortunate enough to get through. Here are my opinions in verse form on the current political fiasco. For what they are worth, I pass on to you to do with as you see fit.

By the way, I'm a Hoosier by birth, a Texan by choice!

POLITICAL QUESTIONS AND OBSERVATIONS?

OLE SLICK WILLY
Crafty and sly
If he told the truth
Would it be a lie?

HILLARY AND BILL
You get two for one was their motto
They were faithful to their oath
We got two faced
Double wheeling
Double dealing
And the shaft from both!

JUDGE STARR
Gone too far
Digging into the muck and mar?
Democrats say yes
Republicans say no
The people say let it go
Bill's our Prez like it or not
China paid for what we got?

HILLARY RODHAM
Ain't admittin'
She wishes she'd
Never met Bill Clinton?

LINDA TRIPP
In a recording session
Illegally taped a true confession
The Democrats yelled foul
The Republicans shouted now
The Prez has sealed his fate!
We'll make the lying S.O.B pay for Watergate!

MONICA
A beguiling lass
No class?

JENNIFER
An intelligent lady
Character shady?

PAULA
"Trailer trash"
Was the Whitehouse hue and cry
Is Beverly Hills Monica
The sweetheart of Sigma Chi?

MISS LEWINSKY
A California girl
Decided to give Washington a whirl
She did
President un-did
By a twenty-one year old "naive" kid?

MR. GORE
A fund raising whiz
Shouldn't have gone on line
Telephone line - that is!

BIG AL
Doesn't really know
The difference between
A Budist Temple and
A fund raising show?

THE LIBERALS
Say that Bill's sex life
Is his affair -
 affair -
 affair -
 affair -

THE CONSERVATIVES
Say to impeach Bill Clinton
Is to inherit Al Gore
Therefore
Caught between a rock and a hard place
If forced to make a choice too soon
Should they chance ole wooden face
Or stick with a lying buffoon?
