Dear C-Span,

Thank you very much
for showing the six hour
Promise Keepers meeting last
Saturday. I am 53 years
old and I believe this
was the most magnificent
wonderful thing I have
ever watched on television.
I love Jesus and I was
beautiful to see all these
men ~~showing~~ to live the
life Jesus wants them to live.
This program really **O-PROMISE**
lifted my spirits. I get

so downhearted when I hear
about the vast corruption
in the current White House.
I believe Paula Jones has
been terribly persecuted just
for telling the truth. I believe
that the Clinton's stand on
abortion is ghoulish and insane
— abortion is out-right murder.
And it is very wrong to be
cutting back on our nation's defense
budget.

Good men are finally
standing together and I thank
you so very much for showing
this wonderful program.

The networks all backed Clinton
in the campaign and are still
covering for him. Only C-Span is
~~honest~~ Sincerely, [redacted]
