

Dear C-Span

I have been a loyal supporter ever since I first saw your programs. However I am dismayed, disgusted, horrified and furious that you are producing Road to the White House. I think it is obscene that 3 months after we inaugurated a new President you created a Republican only ~~forum~~ forum to spread disunion. It is terribly unfair and unnecessary. We don't want to see any presidential politics. Have you ever ^{done} this to another President. I think not! To keep your credibility for news you must remove this ridiculous program. We hate it!
