Dear Brian:-

I saw you on TV. with your red tie.
Oh! I hope you are not Committed to any
one as you and I like so many things
alike. You are such an interesting man
I saw your college democrat and republican
boys on this morning. They were Chaire
really. Politics have come a long way.
Life would be interesting with you. I
cant imagine anyone not liking C Span. I
certainly do.

The only thing I feel badly about
is that I'm not close to you so I can
show you how much I care about you. Maybe
someday. Like a hug
once in a while (over) Bye for now Brian
Love,

Sweetheart, now that I have an
idea that you are interested you
can wear any tie you'd like. Love
your blue ties.
