Dear Mr. Lamb

On your program this morning
you asked... who won on the Sunday
Meet the Press program with Steve Brill.
There can be no doubt that Brill was
the undisputed winner "against" the
supposed moderator Tim Russert.

I love Washington Journal
and that you and Jim Lehrer are
my absolute favorite TV journalists.

I must say that it is
discouraging and somewhat disheartening
to see who has been an American spy

all of my 83 years and Sauer's refusal
of WWII, to realize the large number
of callers in from the right who
clearly are influenced and probably
motivated in their thinking and their
reactions to news and issues. They
may well be instructed to make these
disrespectful, abusive, unfair expressions.

All good wishes,

Sincerely,
