Dear Sirs;

I am a retired Professional,
I am alone now and miss my
contacts with the on-going-world
around us. I cannot tell you
how much C-Span Coverage means
to me. My late husband was a
Common Pleas Judge in this County
for 34+ years. My interest in the
Courts and in education has not
dimmed with the passing years.
I admit I get terribly frustrated
with the Congress/^{House} and Senate -
however, I suppose "that's life". I
thank you for all your efforts
to help those of us who are not
professionally active - keep us to
date.

I am writing specifically requesting
a transcript of the speech of
Ernest Boyer - President
Carnegie Foundation / For The
Advancement of Teaching.

The speech was given on C-Span
Wednesday October 19, 1994.

on the program National Goals of
Elementary Schools.
American College of Testing.

If there is a tape - I would be
interested in that too.

Please let me know how
I can obtain either the transcript
or the tape.

Very Sincerely,
