Dear Mr. Lamb:

I wish to obtain, under the provisions of the Federal Freedom of Information Act, copies of the C-SPAN records showing, since January 1, 1991, certain data as to C-SPAN programs featuring meetings/conventions of 1. Catholic organizations; and 2. Jewish organizations. Data would include only those C-SPAN presentations of conventions/meetings of those organizations that consumed more than thirty (30) minutes.

The specific data I am seeking include 1. Name of organization; 2. Date of C-SPAN program; 3. Program or topic addressed on that program; 4. Cost to organization for presentation; 5. Length of program; and 6. Depending on the cost to me, the identity of the speakers who appeared on the program.

My writing to you in this vein is based on my assumption that C-SPAN is an agency of the Federal Government that falls within the purview of the Federal Freedom of Information Act. (And should my assumption be incorrect, please advise what I have to do to obtain the information requested above.)

Thanks in advance for your cooperation, and I look forward to hearing from you.

Sincerely,
[REDACTED]
