Mr Lamb:

I was a teacher participant
in the Close-up program
March 7-13 1993.

The students who attended
from our high school felt the
program was excellent. They
were active participants all
week and they truly believe this
experience was the highpoint
of their educational experience.

We wanted to express our
appreciation to you for your
support and participation
in Close-up.

Sincerely
[REDACTED]
