To Whom It May Concern:

Thank you for your recent reply to my last letter and for your Viewer's Guide Book and especially the listings of programs on the Presidents.

Also thank you for C-Span itself and its magnificent programming.

Unfortunately, I did not realize that the Friday night programs on the Presidents were more hours and more extensive than those of Monday mornings.

For both George Washington and John Adams, your first two features, I only watched on Monday mornings for three (3) hours; so I do not know how many hours your Friday night programming was for these two (2) presidents. Since then I have watched your extensive programs on Friday nights. Therefore, I have no idea how many additional hours I missed on these two (2).

I would appreciate a reply telling me, how many hours your program on Fridays nights were for both George Washington and John Adams, beyond the first three (3) hours aired on Monday mornings.

Also, if there is a way I could get a tape for any additional hours, beyond the first three (3) hours on only these two Presidents.

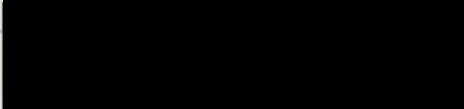

Also, the cost, if available.

Unlike other TV programming, to my knowledge there is no way to learn of any interesting features, such as the one on the Presidents, aside from your announcements on your station. Like many people today, I do not have the time to watch TV much. My point being, do you have a mailing, listing interesting features of up and coming programs, such as one on Presidents? If so, I would like to receive any information on special programming, beyond your current events, current briefings. Had it not been for the fact that I watched the impeachment hearings, I would not have known about your weekly President features.

Again, thank you for the information and education and various views C-Span gives to the American people.

I also occasionally watch your weekend Book Reviews on C-Span II.

Sincerely

A. AmerPres
