Dear Bryan Lamb,

Would you please consider airing a video-simulcast of the Center for Study of Harassment of Afro-Americans morning discussion show on May 26, over Kathy Hughes' radio station WLOV?

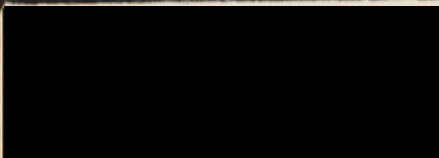

C-span did broadcast a similar show with Kathy Hughes and Dick Gregory a year or so ago and it was deeply gratifying.

We enjoyed very much the broadcast of the meeting on May 14 of the above named Center.

Our family greatly appreciates all of C-span's offerings because they supplement our education and help us to better understand the world of today.

Thank you for every consideration of my request.

Yours truly,
